

APPENDIX A
STATEMENT OF JURGEN FRANCOIS PHILIPPE ELBERTSE

Jurgen Francois Philippe Elbertse declares that:

The invention described and claimed in U.S. national entry patent application number 09/936,632 filed September 12, 2001 was invented without my contribution. I have reviewed the claims of this application and hereby declare that the naming of Jurgen Francois Philippe Elbertse as co-inventor was made through error and without any deceptive intent on my part. I hereby declare and verify that the above Statement of Facts is true and all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application(s) and/or any patent(s) issued thereon.

Date: 8/02/002.

Jurgen Francois Philippe Elbertse

For the legalisation of the signature of mr. Jurgen François Philippe Elbertse, born on the 13th October 1963 at Leidschendam, I, Bernard Robbert Dirk Aitton, civil law notary, practising in Tiel, hereunto put my hand and seal this 8th day of February 2002.
